## **CONTRACT TERM**

- Minimum of five (5) years

## **TARGETED IN-SERVICE DATE**

- Fall of 2012

## **BID DOCUMENTS AND FOLLOW-UP PROCESS**

This non-binding Open Season will commence on December 6, 2011 and end January 5, 2012 at 3:00 p.m. CST. Shippers wishing to subscribe to this offering should complete and submit a completed Non-Binding Request Form. The term must not be less than five (5) years. Shippers submitting a proposal will be expressing an indication of interest to contract for enhanced wheeling service.

Upon close of the Open Season, Inergy will begin the process of negotiating binding agreements. All shippers wanting to enter into a binding agreement will have to provide evidence of credit worthiness satisfactory to Tres Palacios Gas Storage.

The offering of Enhanced wheeling services herein is explicitly subject to and conditioned upon receiving all applicable regulatory approvals and authorizations on terms acceptable to Tres Palacios Gas Storage. Tres Palacios Gas Storage reserves the right to i) reject any bids requests ii) revise the scope of the project in any way and iii) consistent with applicable regulations, to terminate further participation in the Open Season process.
