

June 9, 2023

Critical Notice: Yes
Notice Type: Operational Alert **Mode:** Critical
Affected Location: System Wide
Subject: Notice of Unplanned Maintenance

Cameron Interstate Pipeline ("CIP"), recently provided notice (Notice ID #255) of an unplanned maintenance event related to one of its seven compressor units at the Holbrook Compressor station. Maintenance is ongoing and is now scheduled to be completed by Monday 6/12/2023. While there are no capacity restrictions currently in place, restrictions may become necessary with short notice for the duration of the unplanned maintenance period.

CIP will periodically provide updates to the schedule as they become available: [CIP Informational Postings](#)

Please contact a scheduling representative if you have any questions.
