

August 26, 2020

Critical Notice: Yes
Notice Type: Force Majeure **Mode:** Critical
Affected Locations: System Wide
Subject: Notice of Force Majeure Event

Per [NOAA public advisory](#), Hurricane Laura has strengthened into a major hurricane, with potentially catastrophic storm surge, extreme winds, and flash flooding expected along the northwest Gulf Coast tonight (8/26/2020).

Evacuation has become necessary to ensure the safety of on-site personnel. In response to this emergency situation, Cameron Interstate Pipeline ("CIP") is providing notice of a Force Majeure Event pursuant to Section 8.21 of the General Terms and Conditions of its FERC Gas Tariff.

All transportation services will be impacted for the duration of the Force Majeure event.

CIP will not schedule any transport increases effective for Gas Day 8/26/2020 [Intraday 2] or through the remainder of the cycles in this Gas Day.

Effective for Gas Day¹ [08/27/2020] beginning with the [Timely] cycle and until further notice, transportation service greater than 1,000 dth – in aggregate – will be unavailable.

Updates will be provided via informational postings to Pipeline's EBB: [CIP Informational Postings](#)

Please contact a scheduling representative if you have any questions.
