

April 12, 2023

Critical Notice: Yes
Notice Type: Force Majeure **Mode:** Critical
Affected Location: System Wide
Subject: Notice of Force Majeure Event

Cameron Interstate Pipeline ("CIP"), pursuant to Section 8.21 of the General Terms and Conditions of its FERC Gas Tariff, hereby provides notice of Force Majeure event related to equipment failure resulting in an unplanned compressor unit outage at its Holbrook Compressor station.

CIP experienced a compressor unit failure at the Holbrook Compressor Station. Based on preliminary estimates, the unit will be unavailable for at least seven days. As a result of this equipment failure, capacity through the Holbrook Station will be reduced to 1,485,000 Dth/d – effective for Gas Day April 13, 2023, and continuing until further notice.

CIP will periodically provide updates to the schedule as they become available: [CIP Informational Postings](#)

Please contact a scheduling representative if you have any questions.
