

June 12, 2023

Critical Notice: Yes
Notice Type: Operational Alert **Mode:** Critical
Affected Location: System Wide
Subject: Notice of Unplanned Maintenance

Cameron Interstate Pipeline (CIP) recently provided notices (Notice ID #255 and #256) of an unplanned maintenance event related to one of its seven compressor units at the Holbrook Compressor station. Maintenance work is complete, and the unit has been returned to service.

CIP periodically provides updates to its schedule as they become available: [CIP Informational Postings](#)

Please contact a scheduling representative if you have any questions.
