

Critical Notice

Date: May 12, 2021

To: Eastern Shore Natural Gas Shippers - Storage Customers

Re: Eastern Shore Pipeline Conditions –Termination of Imbalance Operational Flow Order (OFO) Applicable to Storage Customers effective May 13, 2021 at 10:00 am EST

The maintenance on Transcontinental Gas Pipe Line Company, LLC's (Transco) system and limited availability of daily storage capacity is complete and the OFO is terminated effective at 10:00 am EST on gas day, Thursday, May 13, 2021.

On May 12, Transco notified its shippers of an imbalance OFO that will be terminated beginning gas day, May 13, 2021.
