

Critical Notice

Date: January 30, 2022

To: Eastern Shore Natural Gas Shippers

Re: Eastern Shore Pipeline Conditions – Termination of Operational Flow Order (OFO)

The system-wide Operational Flow Order (OFO) currently in effect on the Eastern Shore system will be terminated the start of the gas day Sunday January 30, 2022 at 9:00 CST (10:00 am EST). Eastern Shore strongly encourages all parties to manage their system requirements to ensure a concurrent balance of receipts and deliveries.

Please contact the Transportation Services team if you have any questions:
