

February 13, 2024

February 2024 Imbalance Trading Window

The imbalance trade window opens on February 13, 2024. All trades must be completed by February 26, 2024 by 5:00 P.M Central.

Shippers or Agents may trade Transmission contract imbalance volumes for the service month of January 2024. In addition, PTR has been actualized for December 2023 for Neptune (meter 320036). PTR imbalances for December can be traded as well.

To view the imbalance by contract for PTR, go to View Imbalance by Month (available under the “Imbalance” menu option on the left side of the screen) and select the appropriate month (December). The imbalance for PTR will be in the “Imb Qty” field.
