April 2024 Imbalance Trading Window

The imbalance trade window opens on April 11, 2024. All trades must be completed by April 23, 2024 by 5:00 P.M Central.

Shippers or Agents may trade Transmission contract imbalance volumes for the service month of March 2024. In addition, PTR has been actualized for February 2024 for Neptune (meter 320036). PTR imbalances for February can be traded as well.

To view the imbalance by contract for PTR, go to View Imbalance by Month (available under the "Imbalance" menu option on the left side of the screen) and select the appropriate month (February). The imbalance for PTR will be in the "Imb Qty" field.
