Kinetica Energy Express Receipt of Associated Liquids from Garden Banks Pipeline System
Bluewater East Leg Pigging – December 2020

Kinetica Energy Express (KEE) continues to accept and handle condensate delivered to its system from the Garden Banks Pipeline System at SMI-76. KEE will be launching a pig on Tuesday, December 15, 2020 to effectuate movement of the condensate received at this location, and will require shippers transporting condensate on the Garden Banks system to nominate 20,000 DTH/day for four days, from December 15th through December 18th gas days, pursuant to Section 4.1.3 of Kinetica's Liquid Transportation, Separation, and Dehydration Agreement (LTS&D) for the Bluewater System.

Kinetica previously provided each shipper its percentage of the required nomination.

Customers are strongly advised to monitor the EBB for updates. For Scheduling questions, please contact the scheduling team at (713) 228-3347 ext. 420 or Scheduling@Kineticallc.com. If you have any contract-related questions, please contact Lynn Nguyen (ext. 424). Liquids questions should be directed to Rick Sacco (ext. 405).
