

Monroe Gas Storage Company, LLC (“MGS”) has received Customer requests for up to 3.75 Bcf of firm storage service with a future start date of April 1, 2023 and this capacity may be allocated on a first come first served basis beginning at 2:00 p.m. on November 1, 2022, to the prospective Customer(s) offering to pay a rate that MGS finds acceptable in its sole discretion. Further, MGS has available unsubscribed firm storage capacity that it may use to satisfy customer requests for service it receives in response to this posting.
